

FIRST PARISH FAITH IN ACTION COMMITTEE
SHARE THE PLATE [STP] NOMINATIONS – Due May 5

First Parish shares its abundance with a different nonprofit organization each month through a special Share-the-Plate collection. The Faith in Action Committee will be selecting these Share-the-Plate organizations for the 2019-20 church year in late May. This is your opportunity to nominate an organization to be considered for this one-time contribution. Please note that FIA will make the final selections and that state or local organizations will be given preference over national organizations. You are invited to attend the FIA meeting at which selections are made. Simply complete this form and return it to the BOX in the Parish Hall or email it to Marianne Hill, hillmarros@aol.com, no later than May 5. Thank you!

1. Name of organization.

2. Brief description of the organization's mission.

3. Explain how this organization's work advances First Parish's mission *"to nurture the spirit, grow in community and help heal the world"*.

4. Please provide a name with contact information of someone who could represent the organization on the Sunday that the special STP collection is taken up for the recipient.

5. If you wish to attend the meeting at which recipients are chosen, please provide your phone number or email address.
